

Nursery News

Welcome to all our new families — we are enjoying getting to know you and your children. Welcome back to all our 'old' families too. Can we politely remind everyone to bring spare clothes/nappies/shoes everyday for 'little accidents' and changes from water play, and to bring coats and wellies for 'all weather' outdoor play. Please label all clothes, lunch boxes and drink bottles so they can be returned

HUMPTY says:

1. Be kind
 2. Be safe
 3. Be responsible
-to be happy and to learn. !

We have a positive 'we can' behaviour approach—we can look and listen when asked. We can look after ourselves and our nursery by caring for each other and our toys.

These simple rules work alongside our hole school Fish Philosophy - see display boards.

Your children are very young and some may need lots of practice to learn social skills and positive behavior, like sharing and taking turns. You can help by talking to your child about our rules and sharing any concerns with your child's key person.

Our topics this half term are: 'Ourselves'; Autumn and

Fund-raising

On Friday, 6th October we will be having a cake sale and raffle. Please come prepared with lots of cash!

If you are interested in joining a fund-raising group please let us know. We need your help!

Allergies Please check that children are not bringing food into nursery in pockets and bags. Sweets and cakes, for birthday treats, are fine as long as staff are informed. NUTS can be fatal! Please—no nuts or nut products.

Please let us know if your child develops asthma or an allergy.

Who's who? See our parent information board for photos of staff. If you are not sure who your key person is please ask. **We are very keen to work in partnership with you to help your little star shine! Help us to get to know your child's interests. Any concerns—please let us know so we can help.**

Halloween Party - Tuesday 31st Oct—come dressed up and get a spooky cake for a donation to nursery funds.

Please sign up for Tapestry to see your child's photos and to upload and share your own photos & comments. Pop in for 'Tea and Tapestry' Tues-Friday at 8.30pm if you are unsure of how to do this.

What's COOKING?

A donation of £2.00 would be gratefully received for cooking and D/T activities this term.

SHARING NEWS & WOW moments

FROM HOME

Every week we will be observing key children to identify their next steps in learning. When your child's turn comes along we will be asking you for your help, and asking you to come in to talk about what new skills your child needs to develop. Also, please let us know if your child has done something special or achieved something new so we can work together in planning relevant 'follow on' play activities. We would be grateful for WOW slips about your child's learning at home to go on our display. **Thank you**

5 a day: - To ensure that there is some variety for snack it would be really helpful if you could bring in a couple of pieces of fruit 2 or 3 times a week. As a healthy school please limit chocolate bars and crisps in lunch boxes, and NO energy drinks or fizzy drinks please.

Thank you for your support.
