

Expectations for Remote Learning @Home

Children are expected to behave as you would do if you were in school. Our behaviour policy still stands regardless of whether you are remote learning or in school learning.

Be on time!

Make sure you log on to ClassDojo or start your learning everyday at 9am. Do your best to be in a nice quiet place without distractions (Turn TVs off!) and have an adult nearby. (We discourage anyone from joining from their bedroom!)

Mute!

Please make sure you join with the microphone on mute.

Be prepared!

Come to the lessons prepared, have some paper, pen and pencil ready. Make sure you are paying attention to the instructions.

Questions!

If you have any questions during the lesson, raise your hand by pressing the hand icon, a member of staff will know you wish to speak and unmute you. Make sure your questions are related to your learning. Sometimes your adult may ask you to comment in the chat - make sure this is only work related.
